## Kyocera 2200 Series

Looking for a phone that's simple to use and offers great features? The Kyocera 2200 Series phone takes communication to a new level of convenience, comfort—and fun.

Whether you're new to the wireless world or a seasoned professional, this phone gives you everything you need in one compact package. Its lightweight and ergonomic design includes navigation keys that are easy to use, a cool-blue backlit display and keypad, and productivity tools like voice memos and a contact directory to help streamline your life.

Plus, the Kyocera 2200 Series phone adds valuable perks to the options and reliability that you expect from Kyocera. Access up-to-the-minute information on the Web with a Wireless Application Protocol (WAP) browser, and send and receive e-mail.\* And, when you need a break from work, there's four electronic games.

The Kyocera 2200 Series phone: a communications solution that works for you.

Actual Size
