

Kyocera  
**3225**  
Kyocera 3200 Series

Have some fun

- Program strobing FunLights™ around the display to alert you of events, to let you know when a call or text message is being received or just for playing games
- Large, seven-line, grayscale display
- Brilliant-blue backlit display and keypad for easy readability

Save some time

- Scheduler to keep track of important dates and meetings
- Convenient tools include calculator, alarm clock, tip calculator and stopwatch
- Wireless Application Protocol (WAP) browser makes it easy to view your favorite Web sites specially formatted for your phone\*

Connect three ways

- CDMA digital PCS, CDMA digital cellular and analog – three modes of network coverage to keep you connected virtually anywhere\*

The lights are on and the new Kyocera 3225 is in the house.

With its customizable, strobing FunLights™ and stylish brilliant-blue backlit display and keypad, the Kyocera 3225 offers lots of practical tools, without taking itself too seriously.

### Its Practical Side

The Kyocera 3225 has a scheduler to keep track of important dates. It has productivity tools like a calculator, alarm clock, tip calculator, stopwatch and a Wireless Application Protocol (WAP) browser for viewing your favorite Web sites.\* CDMA 1X technology allows for high-speed data transmission.\* Plus, the 3225 has convenient features like predictive text input software for rapid text entry, voice-activated dialing and a speakerphone.

### Its Fun Side

Of course, the Kyocera 3225 also likes to play. In addition to FunLights, which you can program for different activities, the Kyocera 3225 has electronic games, along with 25 MIDI ringers, vibrate alert and screensavers.

The Kyocera 3225. It's a phone that knows how to get things done and still have a good time.
