Kyocera 3245

Kyocera 3200 Series

Kyocera 3245
actual size

It's rugged. It's sporty. And it's ready to roll. That's the Kyocera 3245.

Designed for active lifestyles, the Kyocera 3245 features lots of practical tools, as well as a sport clip that attaches to your backpack or purse or folds out to become a stand.*

Its Practical Side

The Kyocera 3245 has a scheduler to keep track of important dates. It has productivity tools like a calculator, alarm clock, tip calculator, stopwatch and a Wireless Application Protocol (WAP) browser for viewing your favorite Web sites.** CDMA2000 1X technology allows for high-speed data transmission.** Plus, the Kyocera 3245 has convenient features like predictive text input software for rapid text entry, voice-activated dialing and a speakerphone.

Its Fun Side

Of course, the Kyocera 3245 also likes to get out and have a little fun. The Kyocera 3245 has electronic games, along with 25 MIDI ringers, vibrate alert and screensavers. And its large grayscale display is perfect for checking your schedule, surfing the Web or playing a game.

The Kyocera 3245. It's a phone that knows how to get things done and still have a good time.

Additional features

- Two-way messaging to exchange text messages with your family and friends**
- Games, including Tetris®
- 25 MIDI ringers plus vibrate alert and screensavers
- GPS locator**
- BREW™ capable**
- Headset jack
- Predictive text-input software for rapid text entry
- Supports multiple language options
- TTY and TDD enabled for the hearing impaired
- Enhanced message services (EMS) capable**
