KYOCERA 3250

It's a Walkie-Talkie*

- Push a button and your phone becomes a walkie-talkie. Say hello to chatting on the fly.
- Walkie-talkie calls, phone calls and text messaging* can be managed simultaneously. Talk about staying connected.
- In the mood for talking with more than one person? Set up Talk Groups for a wireless party.

And a Phone

- The impressive, seven-line color display has cool on-screen icons that let you know when your friends are available to talk.
- Distinct audible alert tones like; *ready to speak*, *call waiting*, *floor free* and *bong*, keep communication flowing, even when you're on the phone.
- BREW™ capabilities and the WAP browser ensure you get the fun you want when you want it.*
- Voice-activated dialing, scheduler, calculator, alarm clock and stopwatch.
- Handy sport clip** attaches to your purse or backpack. Or unfold the sport clip into a stand.

*Depending on services available from your carrier.

**Sport clip is not designed to be a body-worn accessory.

Kyocera

3250

Kyocera 3200 Series

Walkie-Talkie?* Phone? Yes.

With just a push of a button, your phone becomes a walkie-talkie. Even more, you can manage calls, walkie-talkie conversations and text messaging*, simultaneously. But this multi-tasker doesn't stop there. Chat with more than one person at a time using the Talk Group feature. Or entertain yourself by downloading BREW™* games and applications or using the WAP browser* both showcased on the large, brilliant, color display. Voice-activated dialing, scheduler, calculator, alarm clock and stopwatch round out this already impressive overachiever.

The Kyocera 3250. A phone for life on the go.
