BLADE™ SERIES

- Be the first to have a phone with a keypad-activated, built-in flashlight.
- 4,000-color display with games, wallpaper and changeable screen shades (KE424C).
- Interpolated 65,000-color display, BREW™ capable,* with games, screensavers, wallpaper and changeable screen shades (KX424).
- Contact cartoon alert for incoming calls.
- Brilliant-blue backlit keypad keeps everything crystal clear.
- Enhanced Messaging Service (EMS)* capable so you can spice up text messages with cool animation.
- Make your phone yours, all yours, with built-in polyphonic ring tones or download your own.*
- Voice-activated dialing: Press a button, say a name—and you're connected.

*Depending on services available from your carrier.

Blade™

Own the phone that shows all other phones the way.

With the Blade's key-activated, built-in flashlight, color display and illuminated navigation key, you can show your friends who knows what's up. Want to impress them even more? Send a text message with funky animation, program in a ring tone or use the voice-activated dialing. Then go on and impress yourself with the scheduler, calculator, alarm clock and built-in directory.

Blade. But not until you're ready for a little attention.
