- Web access and the ability to send and receive e-mail.*
- Built-in contact directory, scheduler, calculator, alarm clock and stopwatch.

*Depending on services available from your carrier.

PHANTOM™

Changeable mask sold separately.

Everything those other ordinary phones aren't.

Say hello to your new partner in communication. A phone as unconventional, unconstrained and uninhibited as you. Here's what we're talking about: an optional changeable mask so you can match your phone to your mood, or your mood to your phone; an optional sport clip** to attach to your backpack or purse; text messaging* with funky animation; downloadable screensavers* and enough built-in ring tones to liven up even the most boring situations. And with voice-activated dialing, a calculator, an alarm clock, a stopwatch, Web access* and e-mail capabilities,* living your life and planning your weekends just got a whole lot easier.

Phantom Series. Phones that get it. Where's the ordinary in that?
