

SLIDER™ SERIES

- Unique, sleek design turns heads when you slide up the phone to make a call
- Flash the 65,000-color display to get the party started
- Download your favorite games and ring tones with BREW™ 2.0 technology*
- Enhanced messaging allows for two-way messaging using funky graphics, sounds and fonts*
- Check out your favorite specially formatted Web sites with the browser*
- Voice-activated dialing and built-in ringers, your phone knows whom to call and you know who's calling

*Depending on services available from your carrier.

KYOCERA

Work. Play. Slide.

Say hello to a phone that lives up to its name. Simply put, the Slider slides. Slide the face up to make a call, slide it down when you're done. The 65,000-color display and BREW™ 2.0 technology for downloading games and ring tones prove that this phone is as smart as it is sleek.* Add to that enhanced messaging and the Wireless Application Protocol (WAP) browser and before you know it, you're living in slider style.*

Live it up in Slider style.
