

LG HELIX

BLUETOOTH CAMERA PHONE

Looking for the perfect compact phone that delivers easy communication features? The LG Helix is the solution that lets you choose how you want to connect. Use voice-activated dialing to call, then talk hands-free with the one-touch speakerphone or go completely wireless using *Bluetooth®* technology. Metro ChatlinkSM will instantly connect you with your friends and associates. Dial quickly on the large, easy-to-use keypad and enlarge the font for an easier read. Take pictures of family and friends with the 1.3 megapixel camera and assign picture IDs to know when they call. A functional phone wrapped in a fresh, compact design, the new LG Helix makes perfect mobile sense.
