

LG NEON™ II

Social Networking Wonder

LG Neon™ II places you right in the center of your social circle.

With a touch screen for dialing and high-speed connectivity, get instant access to family and friends while on the go. Check out your favorite social networking sites and receive news updates via the all-in-one AT&T Social Net. Then, quickly compose text messages using the slide-out full QWERTY keyboard and easily view them on the large, clear screen. Groove to your favorite MP3 tunes with LG Neon II's rockin' music player. Feel like showing off your new moves? Use the built-in camcorder to shoot a video. Distribute the live footage with Video Share™ or save it on a microSD™ memory card (sold separately) for viewing later. Go on, get in the social know with LG Neon II today!
