> Explore all 40 illumination effects at sanyokatana.com

> Stereo Bluetooth® capable

Nightlife Black
Hypnotic Pink

Speakerphone
Make calls or listen to music using the front-ported speakerphone.

1.3 Megapixel Camera with Digital Zoom
Dedicated internal and external camera keys.

2.0" Color Main Display
The large, bright main screen is ideal for videos, Sprint Navigation and more.

External Display
1.0" color TFT LCD for Caller ID (number/picture), date/time, indicators and music menus.

Illumination Effects
40 unique illumination effects assignable to callers, messages and alerts

microSDHC Card Slot
Supports optional cards up to 8GB. (256MB "starter" card included in box)

Stereo Headset Jack
2.5mm stereo headset jack. Optional adaptor available for 3.5mm plugs. Stereo Bluetooth® headphones are also supported.

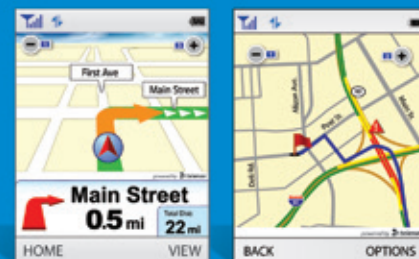

Micro-USB Charger
Micro-USB port for power and data connectivity.

External Music Controls
Navigate your music without opening the phone.

Sprint Navigation Capable

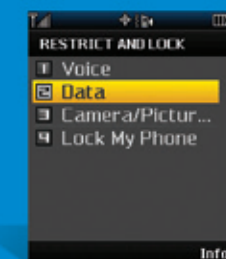

Get audio and visual turn-by-turn directions with full-color moving maps using Sprint Navigation, an optional GPS application available from Sprint. Powerful features include voice entry of destinations, traffic alerts in major cities, a low-price gas finder and more.

Restrict and Lock

With easy access under the Settings menu, parents and business owners can:

- > Restrict Incoming and Outgoing calls to Contacts only
- > Lock or unlock data services
- > Input up to 3 "special numbers" that are always available

- > Lock contacts list
- > Lock camera and any pictures saved in the phone

Sprint One Click

Sprint One Click is an easy-to-use menu that lets you access features such as text messaging, GPS navigation, music, and the Internet all without having to leave the main screen. It also gives you at-a-glance access to personalized information "bubbles" when you're on the Home screen.

- > Custom configure the "carousel" of tiles on the bottom row of your screen for quick and easy access to the things you use most.
- > Home screen "bubbles" provide at-a-glance info on News, Sports, Weather and more.
