Take it to the Next Level

Step up your wireless experience with the SANYO MM-7400 Multimedia Phone. Watch and listen to streaming media, capture digital still pictures and video clips, and communicate walkie-talkie-style nationwide.

Versatile & Stylish

Sporty & Durable Design with Changeable Faceplates

Designed for active users, the SANYO MM-7400 features a rugged Dura-Grip™ and interchangeable faceplates that let you customize the look to match your personality or the occasion.

Digital Pictures

VGA Resolution Images

Capture digital pictures with up to 310,000 pixels of image resolution. Store the pictures on the phone or online, or send them to other compatible phones and e-mail addresses.

Built-in Flash & Movie Light

Great for low light environments.

Get up-close and personal with your favorite subjects using the digital zoom.

Digital Video Clips

Capture and Share Mini Movies!

The SANYO MM-7400 lets you shoot video clips up to 30-seconds in length, with or without audio. Then send the videos to other compatible phones or e-mail addresses.

Walkie-Talkie & Speakerphone

The SANYO MM-7400 fully supports Sprint PCS Ready LinkSM service, enabling walkie-talkie-style communication anywhere on the nationwide Sprint PCS network. It also has a built-in, high-quality SANYO Speakerphone that is perfect for

Streaming Media

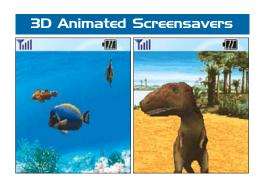

The SANYO MM-7400 offers an unprecedented mobile multimedia experience, with streaming video and audio capabilities. Watch video-ondemand (up to 15 fps) from your favorite news, sports and entertainment channels, or choose from a selection of audio programs for your listening enjoyment.

3D Animated Screensavers

The SANYO MM-7400 offers a selection of animated screen-savers with enhanced 3D graphics. You've never seen screensavers like this on your phone.

New Voice-Activated Dialing

Just say the name of a contact in your Phone Book or the digits of the number you want to dial. No voice programming required. It's that easy!

Personal Information Manager

The MM-7400 includes SANYO's full suite of personal information utilities:

- Contact Book
- Event Calendar
- To-Do List
- Alarm Clock & World Clock
- Voice Memo Recorder

Meeting Mode

In a meeting but expecting an important call? This mode lets you answer it with an automatic message to the caller asking them to hold while you step out to take the call.
