## The Power Bar™!

### Dual Band/Tri-Mode Sprint PCS Ready Link Phone by SANYO

## Walkie-Talkie-Style Communication!

With Sprint PCS Ready Link<sup>SM</sup>, the RL-4920 provides quick, two-way walkie-talkie-style communication anywhere on the nationwide Sprint PCS network.

- Communicate one-to-one or one-to-many (up to five other Ready Link subscribers on the same call)
- The same number can be used for Ready Link and traditional PCS calls
- Add, edit or delete contact entries with the phone or with Sprint's Web-based directory
- Select from 5 different Ready Link alert tones including continuous tones

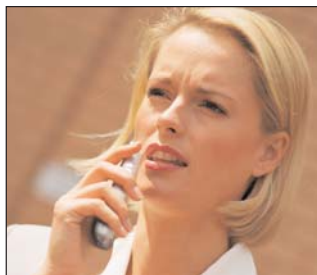

### SPEAKERPHONE

High quality, built-in speakerphone enables hands-free conversations.

### VOICE RECORDER

Up to 50-minutes of recording time. Great for classes, meetings and reminders. Use optional software to download recorded memos to your computer.

The SANYO RL-4920 has been designed especially for use with the digital Sprint PCS Nationwide Network.
